This Christmas Give the Gift of Life. Buckle Up!

Many cultures and countries celebrate the holiday season with gift giving. Who doesn't like to receive a gift? As parents, we give our children a very special gift when we insist upon proper seat belt and child safety seat use in our vehicles. In fact, it may be a gift that saves a life!

The value of the gift we are talking about shows that the giver (adult) knows something about the recipient's needs (safety of their children) and wants to satisfy them. Make this a special season of giving! Reduce the risk of a potentially fatal injury in your family. Lead by example and give a gift of safety beginning today. Using seat belts and child safety seats is the best protection and the best gift you can give your child when traveling by car.
